Sienna's First Parade

Readers of last month's Drumbeat will know that Sienna is a Golden Eagle, the newly appointed mascot of The King's Royal Hussars. She is pictured here with Lt Col Justin Kingsford and RSM (WO1) Robert Bretherton, during her first visit to Aliwal Barracks last month.

Like her distant ancestor, the Prussian Eagle depicted on the KRH cap badge, Sienna comes from North East Europe. With a wingspan of almost two metres and talons with a grip stronger than the jaws of a Rottweiler dog, eagles used to be used to hunt wolves. Sienna now lives in the UK at the Forest Falconry in the New Forest, but will appear with the Regiment for parades and public outings.

It's good to talk ... about Tidworth !

The script for a live show, to be performed at Salisbury Arts Centre and The Garrison Theatre in July/August 2014, will be created from conversations between playwright Richard Conlon and local people, about the place they call home : Tidworth. If you would like to contribute a conversation, or just a chat over a cup of coffee, drop a line to richard@richardconlon.com or 07798 834 515

The Royal Welsh: Battalions to merge

The Royal Welsh was formed on 1st March 2006, when The Royal Regiment of Wales merged with The Royal Welsh Fusiliers.

Next month, the first and second Battalions of The Royal Welsh are to merge and will be based in Lucknow Barracks in Tidworth.

A parade will be held on 3rd April, to mark the occasion.

Welcome to the new GSM

WO1 (GSM) Marc Ravenhill became GSM of Tidworth Netheravon and Bulford Garrison on 1st April.

After initial training in the Junior Leaders Regiment in Bramcote in 1991, Mr Ravenhill's first posting was to 19/5 Bty, part of the ACE Mobile Force in Larkhill, spending 7 years in this area. He has also spent 4 years with the Army Foundation College in Harrogate, as Section Commander and Platoon Sergeant.

He has served on operations in Bosnia, Kosovo, Cyprus, Northern Ireland and twice in Afghanistan and comes to this Garrison from 26 Regiment Royal Artillery in Germany.

"I'm glad to be back in the Salisbury Plain area", he told Drumbeat. "I'm looking forward to getting around and meeting all the RSMs as soon as possible and working with everyone in the Garrison".

Farewell to the Band of the Prince of Wales's Division

With the implementation of 'Future Army Music 2020' taking place over the next few weeks, there will be changes all over the country to the way Army music is delivered.

What does this mean for Tidworth ?

The Band of The Prince of Wales's Division will shortly be moving out of the band block, located with The Royal Welsh in Lucknow Barracks, and will be moving to their new home at MOD St. Athan, near Cardiff.

The Band of The Prince of Wales's Division is pictured here in Perham Down - their final parade in this Garrison.

On the 7th April, the Band of The Royal Artillery will form up in the band block ready to start rehearsals for a busy summer season.

The Band of the Royal Artillery will be led by their Director of Music, Captain Tony Adams and WO1 (Bandmaster) Will Casson-Smith. Within the new band there will be many different smaller ensembles including Brass Quintets, Saxophone Quartet, Woodwind Quintet, large and small pop and rock bands as well as the traditional Military Wind Band, Marching Band and the spectacular looking Fanfare Team. You will be able to see the Band in action later on this year in Tidworth at the Military Musical Pageant on the 27th September.

Search Facebook for "The Royal Artillery Band" or Twitter @RABand1762 to keep up to date with them. The band is able to be booked by contacting sp comd hq-opstrg-bands-mailbox@mod.uk

We look forward to seeing you soon.

Damage to Trees in the Garrison area

Aspire Defence Services Limited manages around 38,000 individual trees and groups of trees, in addition to around 240,000 trees in 187 woodland areas, on behalf of the Ministry of Defence under Project Allenby/ Connaught (PAC).

Aspire's qualified Tree Surveyors carry out regular inspections across the PAC footprint, assessing all trees to check their overall health and recording the surveys.

In the recent storms, from December 2013 right through to February 2014, a small percentage of trees have experienced failures of branches and even full root plate failures. This was due to excessively strong winds and heavy rain conditions causing waterlogged grounds on shallow soils and flooding.

The trees most affected are Coniferous species of trees including Lawson's and Leyland Cypress. Around 140 trees have been damaged which equates to around 0.7% of the total population of individual trees being managed. The worst affected areas include Bulford and Aldershot, with around 100 of the damaged trees being in Bulford.

The tree works are being prioritised and dealt with according to which are leaning or are close to buildings. Following initial make-safe activities Aspire will clear up the debris.

Please take care around site and watch for tree-related hazards that may still be present due to the volume of timber and debris on the ground.

Time for a Spring Clean !

Are the area around you - where you live or where you work - beginning to look a bit neglected and uncared for ? Perhaps it's time to have a clear-out and tidy the place up a bit .. If you see litter - pick it up !

For Meritorious Service

Mrs Marion Wardell has been awarded the Imperial Service Medal for 39 years service to the Ministry of Defence. She was presented with the medal on 17 February by Brig Piers Hankinson at HQ 43 (Wessex) Brigade, in front of current HQ staff as well as many retired staff and friends who had been invited to attend the presentation.

Marion began her service in November 1964 with the Defence Land Agents in Durrington, later moving to Larkhill when she was promoted and working there until January 1977 when she had a career break to have her family.

She returned to the Civil Service in November 1985, working first at South West District, then at HQ 3 (UK) Division and afterwards at HQ 43 (Wessex) Brigade, where she stayed until she retired in August 2012.

Local Opportunities for Volunteering

The AWS

The AWS are looking for new volunteers to support their Community Development Workers across Salisbury Plain, for 1 -2 hours per week on a regular basis.

Experience not necessary - training opportunities will be available. A full induction will be offered and an enhanced CRB will be required.

Please contact AWS on 01980 656789 for more information and to find out more about your local community centre.

HomeStart Kennet

This is a community-based organisation whose volunteers give practical help and support to young families in their own homes. The only qualification needed is parenting experience and a warm and accepting approach to young families. Men and women of all ages and backgrounds are welcome. After training, the usual time commitment is half a day per week, with expenses paid.

For further information contact our office on 01672 569457 or visit our website www.homestartkennet.co.uk

The only qualifications you need are to be a good listener and be non-judgemental. New volunteers undergo a comprehensive training course before their first duty and continue to be fully supported. Salisbury Samaritans positively welcome volunteers from all sections of society.

Why not come along to one of our regular Information Meetings ? For more information :

The Guardian Family Network

Do you enjoy spending time with children? Do you have the space in your home and spare time to offer support to a child from abroad, who attends a boarding school in our area ? The children will be living at their school during the term-time and return home to their parents during the long holidays at Christmas, Easter and in the Summer, but they require an English family to look after them for a couple of weekends each term and during the half term holiday.

The role of Guardian is voluntary, with generous expenses paid per night's stay, and for travel and entertainment.

Visit www.guardianfamily.co.uk or call for an informal chat on 01865 - 522 066

PAYD brings new Job opportunities to the Garrison

Pay As You Dine (PAYD), (where soldiers pay for each non-operational meal as they choose it, rather than through a monthly salary deduction), is now in place in military restaurants and messes in both Bulford and Perham Down. On Tuesday 18 March, representatives from the Garrison, Aspire Defence Service Limited and Sodexo marked the occasion with a ribbon and cake cutting ceremony at Kiwi Barracks.

During the run-up to the introduction of PAYD, Sodexo has been actively recruiting Service leavers to join their teams across Project Allenby/Connaught to coincide with the Army's redundancy programme. So far, 11 Service leavers have been recruited directly from the Army into roles in Sodexo's Bulford and Tidworth team, including a Catering Manager and a Head Chef. The introduction of PAYD to the Garrison has opened up new employment opportunities in both catering and non-catering roles, as well as a wide variety of training courses and qualifications in everything from financial management to till operation.

One great example of a successful transition from Army life to life with Sodexo is Darren Higgins, an ex Regimental Catering Warrant Officer (RCWO) with 24 year's service, who is now Sodexo's Catering Area Manager responsible for Perham Down, Bulford and Tidworth Garrisons. Darren had worked alongside civilian contractors for the majority of his Army career and was able to rely upon his knowledge and skill base to secure a managerial role after leaving the Army last year.

Sodexo Defence's Managing Director, Andy Leach, is well aware of the skills and experience that ex-military personnel can bring to his team, believing that: "the quality of the people we employ from a military background is generally excellent. They tend to be reliable, hard-working, well motivated and great team players."

For jobs with Sodexo, please go to www.uk.sodexo.com, www.facebook.com/SodexoUKIreland and @ SodexoUKJobs. Please address any questions about PAYD through your Chain of Command.

New sign for Military Cemetery

On 11 March, the Commonwealth War Graves Commission (CWGC) installed a new information panel at Tidworth Military Cemetery.

This new panel is among 500 that the CWGC is installing worldwide as part of an initiative to mark the Centenary of the First World War. More than 100 of the panels are being erected in the UK, to provide more information to the public about the many thousands of Commonwealth war dead who are buried or commemorated here.

Each panel carries specific information about the location and also has a QR (Quick Response) code which, when scanned with a smartphone, provides access to more detailed information, including the personal stories of some of the Servicemen buried or commemorated in that particular place. For example, included in the QR codes on the panel at Tidworth are the stories of a New Zealand officer, who sacrificed his life to save his comrades, and a Lieutenant Colonel in the Royal Engineers, who died while training to fly gliders.

The unveiling of the information panel in Tidworth was attended by the Garrison Commander, Colonel James Denny; the Cemetery Caretaker, Mark Edmonds; Aspire Defence's Grounds Maintenance Surveyor, Philip Hawkins and the Commonwealth War Graves Commission's Regional Supervisor, Andy Knowlson.

The Tidworth Military Cemetery will be the venue for an event to commemorate the Centenary of the Great War, on 30th July. More details soon.
